WHAT TO KNOW FOR COMPETITION DAY

Parking on the grass is prohibited. Please use the designated parking area behind the school.

Please arrive ready, with hair and make-up done, when you meet Ms. Dawn in the lobby at the venue.

Please be sure your dancer has all costumes, head pieces, tights, and shoes (see [Costume Instruction Document](#)). We recommend labeling/initialing personal items. Also be sure to have any items needed for hair or makeup touch-ups.

Our studio dressing room location will be assigned upon arrival. This is where the dancers will get changed and stay during the event when they are not on stage. ***As per the requirement of the organizers, no photo, video, or social media use is allowed in the dressing room.***

If you are a parent who is interested in helping in the dressing room, please email Samantha, office@thepenningtonstudio.com, so that we can organize and ensure a safe and fun experience for our dancers. Parents may otherwise watch the competition from the auditorium. Backstage helper parents will be able to go to the auditorium to watch their child's performance.

Once all of your child's dances have performed, dancers may leave the dressing room with their parent/guardian to watch the remaining competition and/or step out for food.

After each awards ceremony, dancers may collect their belongings and return to their parent/guardian.
